

### **Bay Meadows Enrollment**

Bay Meadows elementary enrollment is made up by  $\frac{1}{4}$  of third graders,  $\frac{2}{3}$  of fourth graders, and  $\frac{1}{12}$  of fifth graders. If there are 30 students in third grade:

1. How many students are enrolled in Bay Meadows altogether?
2. How students are enrolled in 5<sup>th</sup> grade?
3. How many more students are enrolled in 4<sup>th</sup> grade than in fifth grade?
4. Use the number of students enrolled in 3<sup>rd</sup>, 4<sup>th</sup>, 5<sup>th</sup> to create a stem and leaf plot.
5. What is the square number for the number of students enrolled in fifth grade?
6. Is the total number of students enrolled in Bay Meadows divisible by 3?

**The Very Best!!!!!!**
